## Practical Dialogue Tips for Changing Hearts & Minds

**March 10th at 10:00 AM via Zoom Webinar**

*We believe that you can have productive dialogues about abortion and other controversial topics.*

*To help you do this, the Minnesota Catholic Conference is bringing you a great online dialogue training in partnership with the Equal Rights Institute (ERI)! Through a combination of conversational strategies and quality arguments, we can bring people's walls down and actually change hearts and minds.*

*In this 90-minute presentation, Emily Albrecht will share ERI's best tips for creating a conversational environment in which people are most likely to change their viewpoint. This engaging presentation is filled with great stories of real conversations to illustrate important points.*
