### **Seeking nomination for the National Policy Forum (South West) elections 2018**

Dear Colleagues,

In the summer we will be voting to decide who represents members in our region on the National Policy Forum, I am writing to ask for your constituency's nomination. The closing date for CLP nominations is Friday 22nd June 2018, details of the process and nomination forms have been sent to your CLP secretary with the annual conference pack. The nominations period will then be followed by a one-member-one-vote ballot.

#### **About me**

I am an education officer in a small museum in Devon and an art educator. I am a loyal and active member of Exeter CLP and have sat on the executive committee this year, having been elected as a delegate at our last AGM. I live in the city of Exeter but commute to Mid Devon to work. I have seen the communities I live and work in facing an uncertain future, with illegal levels of air pollution in many areas of Exeter, and fears over subsidies and the effects of Brexit in our rural communities.

The 2017 manifesto was the best and most inspiring of my lifetime, but I see clear deficiencies surrounding the environment and agriculture and would like to contribute to building on it to develop radical and decisive environment policies such as addressing low impact housing, how to manage development on greenfield sites in a sustainable way and seeing a fair and secure future for our farmers and healthy, reliable and affordable local food networks for our communities.

#### **Engagement**

If elected to the NPF, I hope to join other local candidates in convening local policy forums in order to make the voices of local members heard on a range of important policy areas to ensure a bottom up policy making process. I would take the results of these discussions to NPF meetings and to shadow ministers and produce reports of the actions and results of these meetings.

Please let me know if you need any further information.

Yours in solidarity,

**Holly Jarrett**
