### **Seeking nomination for the National Policy Forum (North West) elections 2018**

Dear Comrades,

In the summer we will be voting to decide who represents members in our region on the National Policy Forum, I am writing to ask for your constituency's nomination.

**The closing date for CLP nominations is Friday 22<sup>nd</sup> June 2018.**

Details of the process and nomination forms have been sent to your CLP secretary. The nominations will then follow a one-member-one-vote ballot.

#### **About me**

I am a Lancashire County Councillor, District Councillor and an active member of Unite. I represent one of the post-industrial towns that voted for Brexit. They believed the hate pedalled by UKIP and the Daily Fail. These are the people that feel left behind by the Labour party. I want to speak for them, I want to speak for all towns that feel we no longer represent them. I am proud to be one of the working class, I have walked the path of unemployment and know how it feels to live in poverty & unable to make the rent. If you want the working classes to be heard and listened to within our Party, I promise to be that voice. Please nominate me to continue being one of your representatives, on the National Policy Forum.

#### **Future Plans**

I have been a member of the National Policy Forum for the last three years and my Policy Group is Housing, Local Government & Transport. We have helped develop policies such as Labour committing to over a million new homes in five years, giving funding & powers back to local government and taking the railways back into public ownership.

I am proud of the 2017 manifesto and I believe that together by implementing Socialist policies, we can inspire and bring back hope to our communities.

Yours in solidarity,

Lorraine Beavers
