Just a reminder:

We Believe

"Abortion is a most serious matter and should be considered only after the persons responsible have consulted with their bishops and received divine confirmation through prayer."

The only possible exceptions are when:

1. Pregnancy resulted from forcible rape or incest.
2. A competent physician determines that the life or health of the mother is in serious jeopardy.
3. A competent physician determines that the fetus has severe defects that will not allow the baby to survive beyond birth.
