SCHOOL CHALLENGE

SEPT 25 - OCT 6

IT'S GO TIME!
SIGN UP YOUR SCHOOL
BATTLE CARBON POLLUTION

WIN A SOLAR TRACKER

VERMONT SCHOOLS ARE MAKING A DIFFERENCE! JOIN US!

New for 2017, Way To Go! is focused on getting K-12 schools on board to battle carbon pollution head-on. You'll get the tools you need to motivate your students, staff, and teachers to bike, walk, carpool or ride the bus to victory!

Using alternate transportation for just two weeks helps us reach our goal of reducing 500,000 lbs of carbon pollution in Vermont. That means cleaner air for everyone.

Talk about an A+ for effort!

WIN GREAT AWARDS AND PRIZES, BY MAKING SMARTER AND HEALTHIER TRAVEL CHOICES!

This year, in addition to a chance at a Carbon Cup trophy, schools will have a chance to win a Solar Tracker.

- WIN PRIZES
- GET MOVING
- HAVE FUN
