SCHOOL CHALLENGE

CALLING ALL VERMONT
K-12 SCHOOLS

SEPTEMBER 25 - OCTOBER 6

The Way To Go! School Challenge is a chance for your school to go toe-to-toe against carbon pollution and win. Bus, walk, bike, roll or carpool your way to victory!

WIN A SOLAR TRACKER FOR YOUR SCHOOL!

One lucky school will win a Vermont manufactured AllEarth Solar Tracker. Power-up your school with 5,000 watts and 9,300 kWh/yr. This tracker uses GPS technology to follow the sun. That means it provides up to 45% more energy than a fixed system.

WINNER OF THE WAY TO GO! 2016
ALL EARTH SOLAR TRACKER
- Shelburne Community School

STEPS TO VICTORY:

- › Encourage at least one school captain or small group of faculty/students to help coordinate activities. The school captain needs to sign-up online at waytogovt.org to accept the Way To Go! Challenge.
- › Plan how to advance your school to victory. Use our promotion kit page, waytogovt.org/promotion-kit/ for materials to help you get the word out. *Captains--Look for email reminders and news to share from the Way To Go! Team.
- › Other team members can sign themselves up [online](#)-for a chance to win prizes from Way to Go. Check with your school's wellness leader to ensure they are offering this as a wellness leader event.
- › Track school participation using Way to Go! Tally Sheets. Submit results online.
- › Complete extra credit activities to increase your chance to win. Visit www.waytogovt.org for specific details. Use our Tally Sheets to help Way To Go collect online data.
