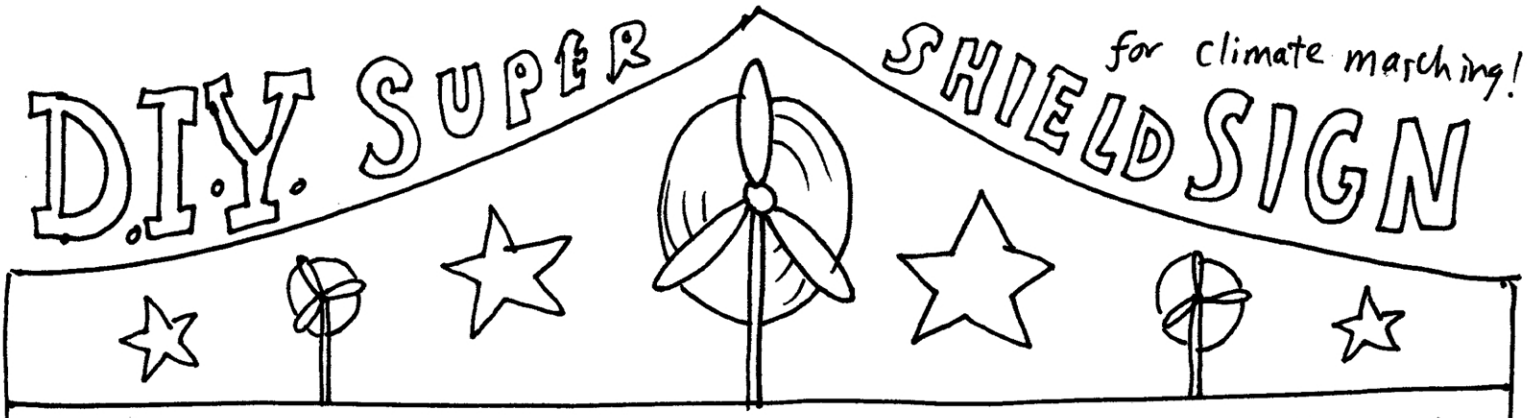
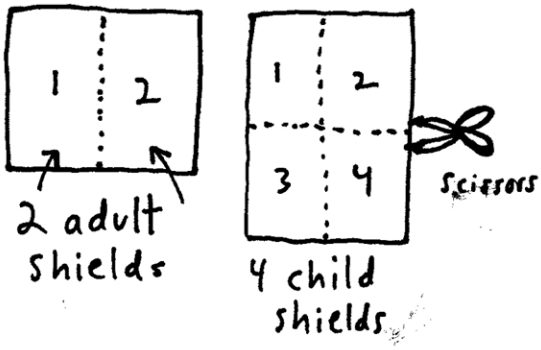
D.I.Y. SUPER SHIELD SIGN

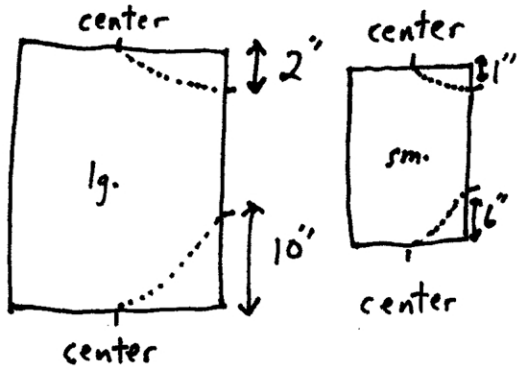
for climate marching!



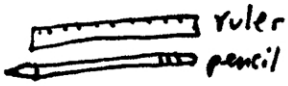
① Cut red, white or blue poster board



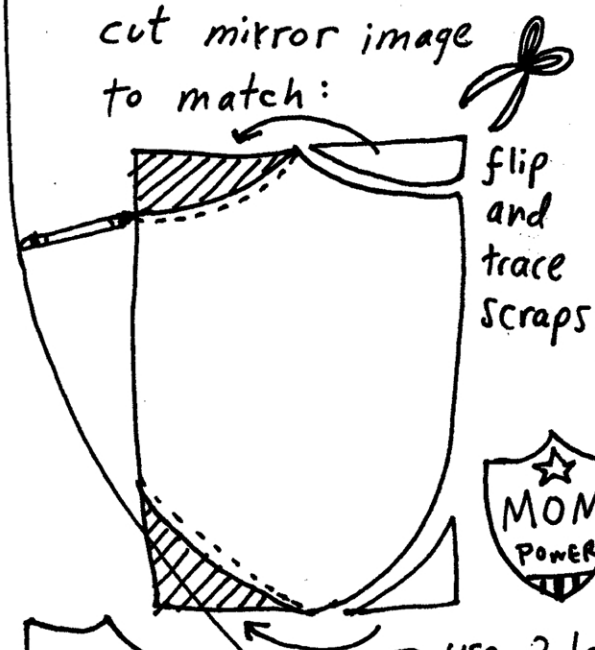
② Measure and mark top and bottom center also, measure and mark points as below:



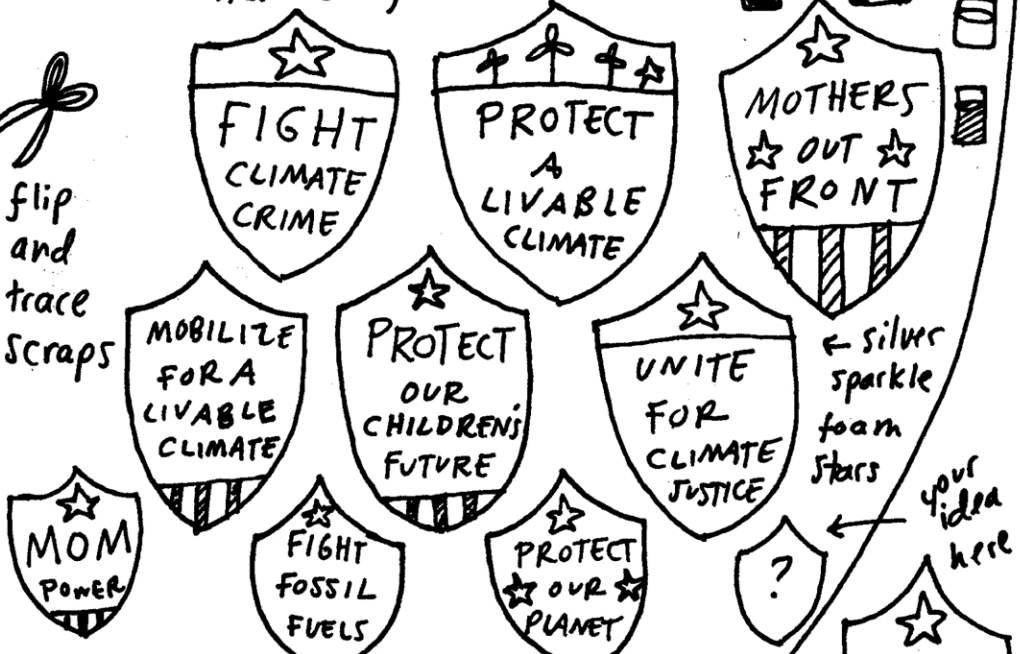
Draw curved lines connecting points and cut pieces off

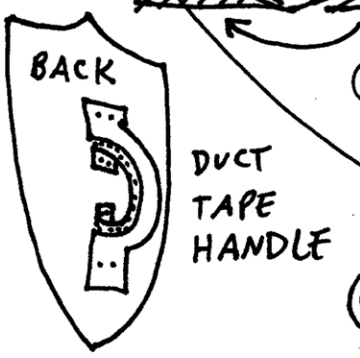


③ Use scraps as a stencil, trace and cut mirror image to match:



④ Decorate your shield with Red, White + Blue hero designs and shapes.





⑤ Use 2 layers of duct tape, sticky sides together, to make a handle on the back. Staple for security w/ long reach staplers
