

Cambridge Climate Connector

Cambridge Mothers Out Front February 2020

*Winter can be a time to gather, in warmth and gratitude, with family and friends—and to gather our strength for the work the world needs us to do. **Please gather with us at our community meeting on February 25th—and bring a friend!***

Read more below about the meeting, and about other recent and upcoming happenings.

UPCOMING EVENTS

Cambridge Mothers Out Front Community Meeting

Tuesday, February 25, 6:30–8:30 PM

Cambridge Public Library, Community Room, 449 Broadway

- Learn about the remarkable benefits of vegetation and solar panels on urban roofs and how we are advocating for **green roofs** in Cambridge.

- Want to know more about the City Council's proposed **ban on natural gas** infrastructure for new buildings and major renovations? Learn about the benefits of all-electric buildings! Bring your questions and get answers on this important city ordinance.

- Get connected to climate change work while you connect with friends . . . old and new!

All are welcome. Child care available.

Grassroots Rising:

A Call to Action on Climate, Farming, Food, and a Green New Deal

Thursday, February 20, 6:30–8:30 PM

Cambridge Public Library, Central Square Branch, 45 Pearl St.

Join the nationally syndicated radio show and podcast Living on Earth and activist Ronnie Cummins for an interview about his new book and his passionate call to action. [Click here for more information about this free event.](#)

The Need to Grow Film Screening

Tuesday, March 10, 6:00–8:30 PM

Somerville Theater, 55 Davis Square, Somerville

See the award-winning documentary *The Need to Grow*, followed by a discussion led by local farming and climate experts. Learn how healthy soil and regenerative farming practices help draw down and store carbon from the atmosphere. Is localized food production one of our biggest untapped assets in addressing climate change? Purchase your \$10 tickets early because this show is expected to sell out. Sponsored by the Mothers Out Front Healthy Soils Team and Farmers To You. [Click here for tickets and information.](#)

10-MINUTE ACTION

Cambridge Mothers Out Front supports the proposed city ordinance to restrict natural gas infrastructure in new construction and in buildings undergoing major renovation. Add your voice by emailing the city council in February. [Follow this link for guidance.](#)

WHAT WE'VE BEEN UP TO

Getting to Know a New City Councillor

January 7 - Cambridge Mothers Out Front leaders met newly elected City Councillor Jivan Sobrinho-Wheeler to discuss our priorities and how we can work together to advance climate-related actions in our city. A great beginning conversation!

Shirting Up and Showing Up for Carbon Pricing Legislation

January 14 - Mothers Out Front volunteers from Cambridge joined others from throughout the state at the Massachusetts State House to support moving Bill H.2810, An Act to Promote Green Infrastructure and Reduce Greenhouse Gas Emissions, out of committee. The bill puts a fair price on carbon pollution and promotes environmental justice.

See you out front!

Mina, Kristine, Florrie, Sharon, Hannah, and Diane
