

# For Climate Strike Week - September 20-27, 2019

Cut figures out of sturdy cardboard. Paint with colorful acrylic paint. Add words by hand or with computer printouts.

**Mothers** - 28 inches tall x 16 inches wide with arms outstretched.

**Children** - 20 inches tall x 16 inches wide with arms outstretched.

Punch quarter-inch holes where hands are. String together with sturdy ribbon, heavy string, or pipe cleaners.

**Colorful figures with black type! Type must be readable from 20 feet away.**

(Do not choose dark colors for figures.)

**Mothers are blue only.**

**Children can be green, orange, pink, yellow.**

Or make figures that we can hold up above the crowd using strips of wood affixed to back.
