Our Next Challenges

Linking Transportation Infrastructure to a Shared Prosperity, Equity and a Healthier Environment

Speakers

State Senator Ricardo Lara

33rd District

State Senator Fran Pavley (ret.)

27th District

9:30 - 10:30

We Have Transit Challenges:

What Can We Do?

- Solving the bus ridership decline
- Meeting the mobility needs of students
- Meeting the mobility needs of seniors and people with disabilities
- Expanding our active transportation and first-last-mile infrastructure

- Innovations to make full use of our investments and cut congestion
- Microtransit and other innovations in delivering transit services
