Goals of Connect SoCal

- Is a **transportation infrastructure investment strategy** that will impact Southern California, and beyond.
- Will invest over **\$638 billion on transportation improvement projects**.
- Will locate housing, jobs and transit closer together in **priority growth areas** while preserving natural lands and open spaces.
- Will **link the built environment and transportation system** with policies, projects and programs that strengthen and enhance each other.
- Will **deliver significant benefits to the region** on mobility, safety, health outcomes, travel time reliability, air quality, economic productivity, and environmental justice ...
- Will **generate approximately 362,700 jobs annually**.
