Goals of Connect SoCal
Connect SoCal...

• Is a **transportation infrastructure investment strategy** that will impact Southern California, and beyond.

• Will invest over **$638 billion on transportation improvement projects**.

• Will locate housing, jobs and transit closer together in **priority growth areas** while preserving natural lands and open spaces.

• Will **link the built environment and transportation system** with policies, projects and programs that strengthen and enhance each other.

• Will **deliver significant benefits to the region** on mobility, safety, health outcomes, travel time reliability, air quality, economic productivity, and environmental justice …

• Will **generate approximately 362,700 jobs annually**.
