

Notice of CFMMEU National Women's Committee Election 2019

The Rules of the Construction, Forestry, Maritime, Mining & Energy Union (CFMMEU) provide that the National Conference of the Union shall consist of, amongst others, two National Women's Committee members from each Division, including the MUA Division.

Legal advice received, advises that these two positions must be elected by all financial members of the MUA Division entitled to vote and that the Election should take place at the same time and in the same manner as prescribed in the MUA Divisional Rules for the conduct of the Quadrennial Election of Divisional Offices.

Therefore, an Election for the two (2) National Women's Committee members of the CFMMEU (from the MUA Division) shall occur at the same time as the 2019 MUA Division Quadrennial Election.

A ballot will be required if there are a greater number than two (2) nominees. If such a ballot is undertaken, then separate ballot materials for these National Women's Committee Member positions will be included in the Election Materials provided to Members.

Notice of MUA National Women's Co-ordinating Committee Election 2019

The MUA Divisional Rule 30(e) provides for the establishment of a Divisional National Women's Co-ordinating Committee. In 2011 and 2015 the formation of this Committee was obtained by the conduct of an Election which was undertaken separate from, but in conjunction with, the Quadrennial Election of Offices.

Therefore, an Election for thirteen (13) Delegates (comprising State and NT representatives) for the Divisional Women's Co-ordinating Committee shall occur at the same time as the 2019 MUA Division Quadrennial Election.

A ballot will be required if there are a greater number of nominees for any State or Territory Delegates than positions to be filled. A Notice for the vacant delegate positions in each State and the NT will be published prior to nominations being opened.

If such a ballot is undertaken, then separate ballot materials for these Delegate positions will be included in the Election Materials provided to Members.
