

CELEBRATE LABOR DAY!!!
Screen Queensland & Cinema Ventures
Present:
The Australian Premiere of

"THE ENEMY WITHIN"

How Thatcher broke the British Coal Strike and
captured UK politics for the Right
Trailer:

<https://www.youtube.com/watch?v=wJF67Ma9VRs>

**Followed by Q&A Bob Carnegie (MUA), Peter Ong
(ETU) and Jeff Rickertt, Labour historian**

"If we forget what happened during the miners' strike we weaken and disarm
ourselves for the future." - **Jeremy Corbyn**

"A documentary as gripping as a thriller... The Conservative government
planned nothing less than the emasculation of union power by abolishing the
domestic coal industry" - **The Guardian**

PLUS: Short **"POWER STATE"** by Joshua Goener
7 pm October 5th (Labor Day)

Free finger food Cash bar from 6.30 pm
