The Honorable Markwayne Mullin
Mullin for Congress
123 W. Blue Stars Drive

Dear Rep. Mullin:

National Right to Life is pleased to endorse you for reelection to the U.S. House of Representatives, to represent the 2nd congressional district of Oklahoma.

We strongly commend you for your perfect 100 percent pro-life voting record throughout your years in Congress.

During the current 115th Congress, you cosponsored and voted for the *Pain-Capable Unborn Child Protection Act*, legislation to protect unborn children who can feel pain at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You cosponsored and voted for the *No Taxpayer Funding for Abortion Act*, a bill that would establish a permanent, government-wide policy against funding abortions or health plans that cover abortions.

You voted to block federal funding of Planned Parenthood, the nation's largest abortion provider. And you voted to repeal the Obama healthcare law – a law that created a national program of massive federal subsidies for insurance plans that cover abortion.

All Oklahoma voters who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to return you to Congress, so that you can continue to work to advance vital pro-life public policies.

Sincerely,

David N. O'Steen, Ph.D.
