

## THE HEART OF PRECARIETY (FRANCE)

### ASSOCIATION OF ENERGETIC MUSLIMS BREAKING STEREOTYPES BY HELPING POOR IN FRANCE.

---

*Equity and quality are the values of "the heart of precarity" that the roots are to the tree needed to exist.*

The Association face the vital need for food, clothing and social support. resulting in food distributions. Nearly 1,700 meals are served each week and with the help of volunteers and committed volunteers to the homeless and needy people.

Association also distributes the new clothing to the homeless. They are trying to get people back on track y providing the emotional support, food for survival and inner confidence to do better in lives. Along with food, and clothing they are also focused on deprived children. There are one in five children living in poverty in France (Unicef source).

RACHID BOULSANE

Rachid spends his Ramadhan days fasting and his Ramadhan nights reaching out to the street people and giving them some food. He hopes to change the image of Muslims in Paris. Now, he has a charity called At The Heart of Precarity with 250 volunteers.

He is the current President at The Heart of Precarity
