TASBO Learning Session

Operational Disaster Recovery – *Lessons Learned in Recent School Disasters*

Learn how to develop a Multi-Hazard Emergency Operations Plan –

Texas Education Code 37.108 requires each school district to develop a Multi-Hazard Emergency Operations Plan. This presentation will help school administrators understand the need, value and key components of developing a Multi-Hazard Emergency Operations Plan. Specifically, the presentation will focus on disaster preparation and the importance of operational recovery planning using examples from recent school disasters.

When: Wednesday, March 2, 2016
11:00 a.m. to 12:00 p.m.

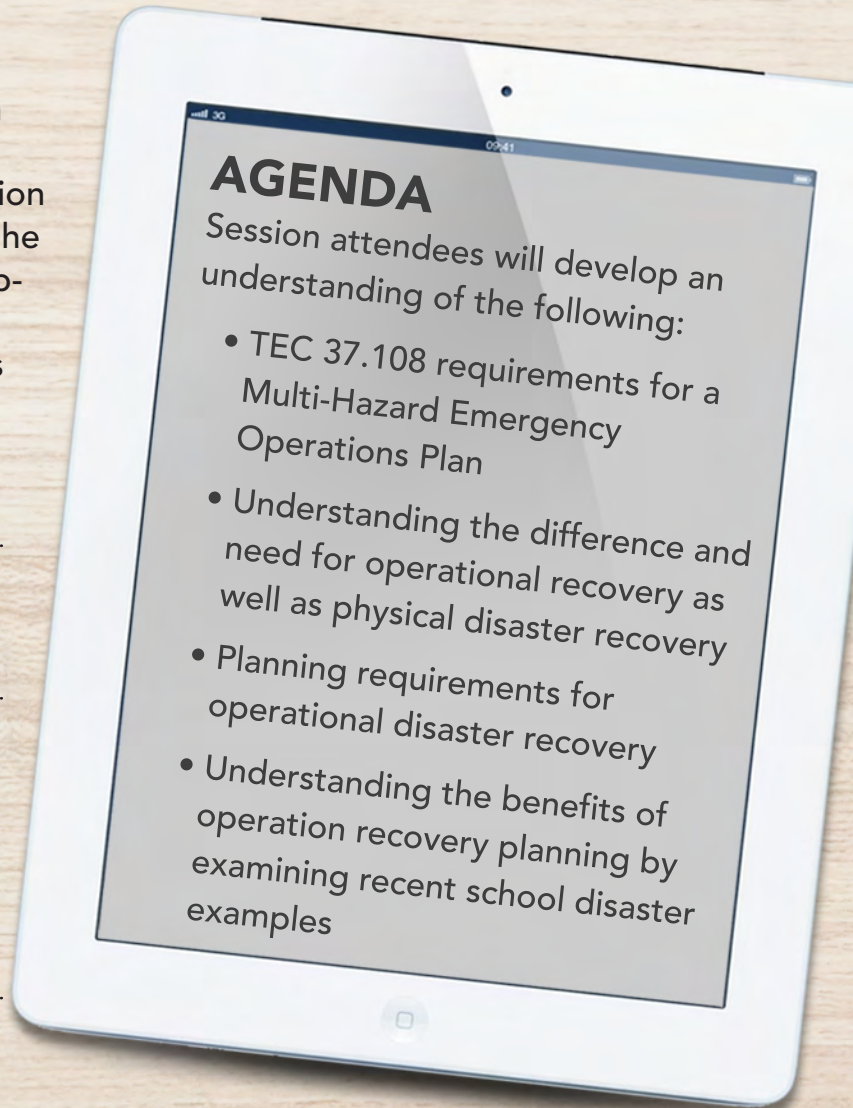

Where:

TASBO's 70th Annual Conference
Kay Bailey Hutchison Convention Center
650 S Griffin St, Dallas, TX
(CC) D166

Sponsor:

Public Entity Risk Management

AGENDA

Session attendees will develop an understanding of the following:

- TEC 37.108 requirements for a Multi-Hazard Emergency Operations Plan
- Understanding the difference and need for operational recovery as well as physical disaster recovery
- Planning requirements for operational disaster recovery
- Understanding the benefits of operation recovery planning by examining recent school disaster examples
