PRAYER PRIORITIES FOR AMERICA - SEPTEMBER 2018

1

Ask God to be a shield in and around our nation as we pray on September 11, and then each day this month, for the security and protection of the United States of America.

PSALM 3:3

"But You, Lord, are a shield around me."

- Oh Lord, we pray in humility for our nation to be secure and protected from anyone, any group, or any country who desires to harm us.
- Sovereign God, You are our Defender and Shield, so we pray for You to guard us from evil and harm within our nation and from outside our nation.
 - Our Great God, we ask You even more specifically:
 - Shield and protect all people in our schools and universities in America from all harm
 - Shield and protect all people in our churches in America from all harm
 - Shield and protect all people in any public gathering in America from all harm
 - Shield and protect all the members of our military in America and beyond from all harm
 - Shield and protect all of our first responders who serve across this nation from all harm
 - Shield and protect all the leaders of our nation from all harm
- Father in Heaven, we ask You to lead, bless, and anoint all special gatherings of prayer for our nation on September 11, and hear the prayers of Your people as they cry out to You for the security and protection of the United States of America.
