Crimes Amendment Bill

Proposed amendments

Hon Dr Nick Smith, in Committee, to move the following amendments:

Schedule 1

Replace *clause 2 of new Schedule 1AA* (page 3, lines 16–28) with:

- 2 Repeal of section 162 (Death must be within a year and a day)**
To avoid doubt, the repeal of section 162 applies to any death that occurs after the **Crimes Amendment Act 2019** comes into force.

Explanatory note

This Supplementary Order Paper amends the transitional arrangements that relate to the repeal of the year and a day rule to ensure that section 162 does not apply to any death that occurs after this Bill comes into force.
