

## **Petition in relation to the establishment of FIFO camps in major regional centres**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament Assembled.

We, the undersigned, say that the establishment of FIFO camps in major regional centres significantly undermines the development aspirations of the local community. New FIFO camps within 60km of regional centres are anti-local jobs, anti-local business and anti-community.

**We therefore ask the Legislative Council to call on Premier Mark McGowan and the Minister for Planning; Lands to:**

- **Reject Woodside's Bay Village proposal in line with the views of the community and the City of Karratha.**
- **Make it clear to major mining companies that FIFO camps in major regional centres are an unacceptable practice in Western Australia.**

**And your petitioners as duty bound, will ever pray.**
