IMPORTANT

The laws regarding political donations for state elections are very strict. Certain restrictions apply to the making of political donations, including purchasing tickets to fundraising events. By offering to make a donation you confirm your understanding and acceptance of the legal requirements, and affirm that you are eligible to make a donation.

Limitation on Donations to Political Parties

There is a cap on political donations for State elections. The cap is \$5,900 for aggregated political donations to or for the benefit of a registered political party during the 2016/2017 financial year.

Prohibited Donors

Property developers, tobacco industry business entities, for-profit liquor or gambling business entities (including any industry representative organisation where the majority of its members are these entities) and their close associates are prohibited donors. A director or officer or person whose voting power is greater than 20%

(and their spouses) are considered to be a close associate. It is unlawful for a prohibited donor to make a political donation.

Disclosure Warning

If you make a political donation or incur electoral expenditure of \$1,000 or more, you must complete and lodge a declaration with the NSW Electoral Commission in accordance with the Election Funding, Expenditure and Disclosures Act 1981. A political donation includes a contribution or entry fee or an annual or other subscription.

You must also disclose a political donation of less than \$1,000 if the total amount of political donations made by you in respect of the same party (or associated parties), elected member, group, candidate or person in the same financial year is \$1,000 or more. Penalties apply for failing to lodge a declaration.

Further information

The above is a summary only. For the complete requirements, see Part 6 of the Election Funding, Expenditure and Disclosures Act 1981.
