Re: suspension of Neighborhood Council meetings and events

Dear Mr. Feuer:

We commend the City for its quick action to limit public meetings in a time of unprecedented challenges and the need for rapid decisions.

At the same time, we urge you to allow Neighborhood Councils to do the work that, one could argue, is more important than ever.

We appreciate Governor Newsom's recognition that the work must go on and support his waiving of certain Brown Act requirements so that we can meet virtually. We hope that you will honor his intention by allowing Neighborhood Councils and committees to meet via teleconferencing.

Additionally, we support Neighborhood Councils' requests that any remaining funds from this fiscal year be rolled over into the next one.

Sincerely,

Steering Board Members of the Neighborhood Council Sustainability Alliance
