

Dear friend --

Please join us for the **NCSA's first Water Committee meeting this Saturday, June 27, 10:00-11:30 am, at 3930 Laurel Canyon Boulevard, Studio City.** The presentation and main topic for discussion will be:

City Proposed Residential Parkway Landscaping Guidelines

Issues and Solutions

Melanie Winter

Director, The River Project

We will also be discussing the NCSA Water Committee mission, scope, goals, and structure, and reviewing results of the May 16 NCSA stakeholder engagement workshop on community landscape transformation strategies.

A detailed agenda can be downloaded at the NCSA Facebook *group* page.

Directions to meeting location:

Public transit - Redline to Universal Studios, Metro 240, 150 or 750 to Laurel Canyon.

Driving – 101 to Laurel Canyon, south on Laurel Canyon Boulevard, one block past Ventura Blvd on the left hand side. Parking is on the street. The meeting room is inside the building.
