

YOU'RE INVITED to join the Neighborhood Council Sustainability Alliance (NCSA) this Saturday, July 9, for an Open Space circle (aka an “unconference”) where *YOU* propose topics for discussion, and then convene or join topic sessions you care most about.

Depending on interest, sessions might range from shaping the NCSA’s advocacy or programming strategies, to brainstorming a community sustainability project, to helping a NC green committee address a thorny challenge — or something altogether different!

Anyone with the desire to contribute, learn, or network is welcome to participate!

Please RSVP here: http://ncsa.nationbuilder.com/ncsa_open_space
