

Lisa—

Below are some updates for you. And if you haven't voted yet, we hope to see you at the polls!

### **Election Forum**

In case you missed our election forum, below are links to pages recommended by our speakers with information about Measure W (the Safe Clean Water Parcel Tax) and Charter Amendment B (which would pave the way for a public bank, or "Municipal Financial Institution"):

On Measure W:

[safecleanwaterla.org](http://safecleanwaterla.org)

<https://www.yesonwforcleanwater.com>

On Charter Amendment B:

<https://publicbankla.com/index.php/about/endorsements>

### **Advocacy Committee update**

The NCSA Advocacy Committee is developing recommendations pertaining to Council File 17-0309 regarding electric vehicle (EV) charging stations in new construction, so that our infrastructure can be ready for EVs, which help reduce smog and climate change. Stay tuned for the committee's recommendations—we hope you'll be able to submit community impact statements (CISs)!

### **City of Los Angeles Wildlife Pilot Study Open House**

Concerned about wildlife in Los Angeles? You are invited to attend the Los Angeles Department of City Planning's Wildlife Pilot Study Open House on Wednesday (the day after the elections!), November 7, at the American Jewish University. More information is available [here](#):

### **Welcome to new members!**

Also, we welcome new member neighborhood councils Los Feliz, Studio City, and Woodland Hills-Warner Center. It is great to have you on board!

the Neighborhood Council Sustainability Alliance (NCSA)
