2018 27th Annual

Northeast Dairy Production Medicine Symposium

**March 23-25
DoubleTree Hotel
East Syracuse, NY**

Veterinary Students

Students have been an integral part of the symposium for many years now. They are invited to attend for only \$75 to help defray the costs of meals. Students receive the proceedings book as well as all meals and breaks. Students take part in the meeting just like any other member. For people in the job market, this meeting can be great exposure to employers and future associates.

Continuing Education

This program is pending approval for continuing education credit in jurisdictions which recognize AAVSB RACE for 15.5 credit hours. NEDPMS is an approved provider of 19 CE credit hours in NY State.

Hotel

The Symposium takes place at the East Syracuse DoubleTree on Carrier Pkwy. Attendees must call the hotel directly to make their reservation.

- Hotel number is: **315-432-0200**
- Rates are **\$118 for single or double occupancy**
- Book by Feb 28 for these rates!
- USE GROUP NAME: **NEDPMS**
- **Meals are included in registration**

Extra meals for other non-registered people can be paid for at the symposium.

Welcome to the 27th Annual Northeast Dairy Production Medicine Symposium

The Planning Committee met at AABP last year & came up with a great list of topics & speakers. This program is pending approval for continuing education credit in jurisdictions which recognize AAVSB RACE for 15.5 credit hours. NEDPMS is an approved provider of 19 CE credit hours in NY State. Topics to be covered include DiSC®, veterinary practice management, milking system evaluations, residue avoidance, genomics, calf diarrhea treatment, maternity pen design and management, monitoring farm data, and assessing bulk tank bedding culture data. Sign up now to avoid the cut-off & to get the best prices on rooms!

The mission of the Northeast Dairy Production Medicine Symposium, INC is to contribute to the well being of our dairy producers by providing a unique educational experience for dairy oriented veterinarians and veterinary students. The object of this experience is to provide motivation, information, discernment, and support for the practice of dairy production medicine.
