Enter the list
number given
to you by
your canvass
leader.

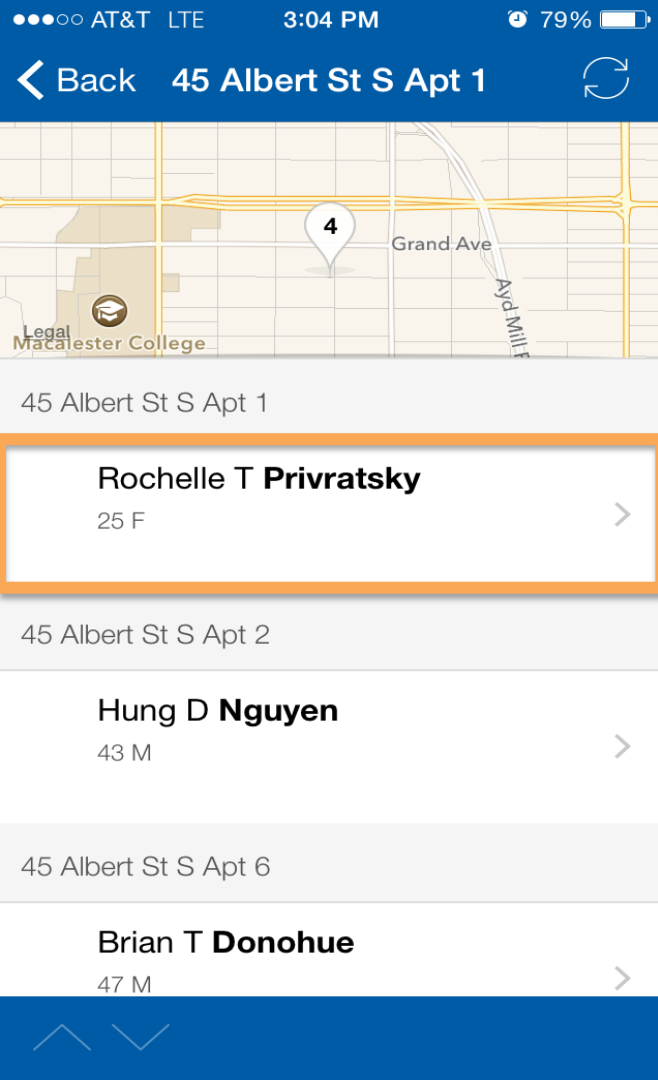

The default screen is an alphabetical list of doors you will be knocking. Click on the address to see the names of residents.

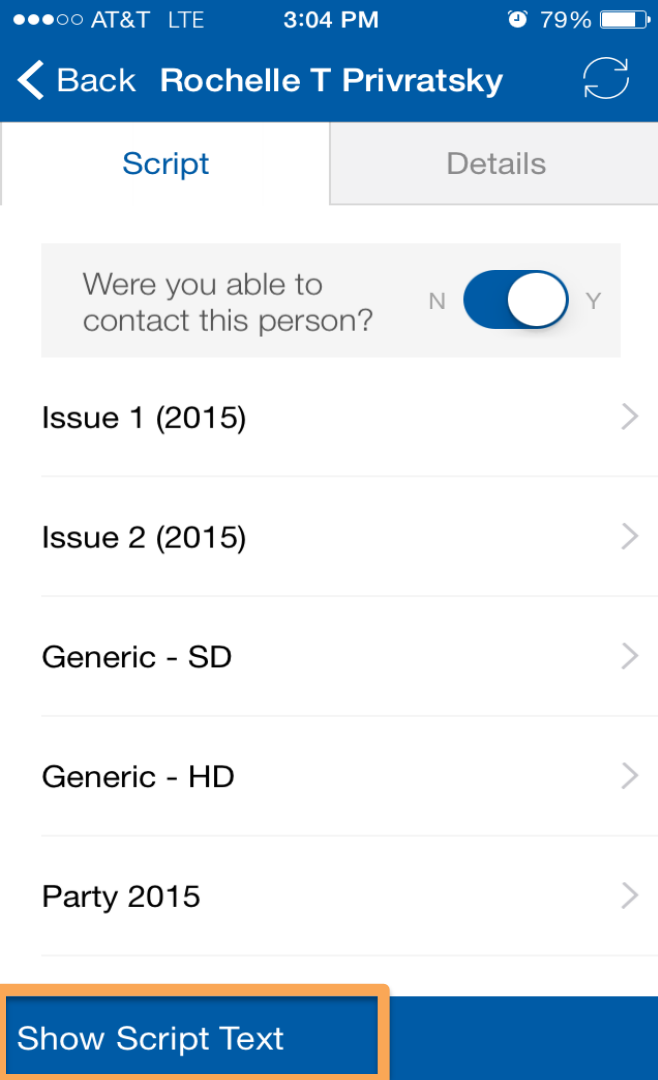

The building icon indicates the residence is an apartment building. It also tells you how many units it has.

The number of circles indicate number of voters.

Click on a specific resident to see the script, survey questions, and collect data.

Select “Show Script Text” in the bottom left corner to see the script.

Script

Details

What Issues are most important to you when considering candidates for State Office?

Which electoral issue is the most important to you?

Issue 1 (2015)

Which electoral issue is the second most important to you?

Issue 2 (2015)

Looking ahead to the 2016 race how likely are you to vote for the DFL candidate for State Senate?

Generic - SD

Looking ahead to the 2016 race how likely are you

Select the details tab
at the top of the
screen to see more
information about a
voter.

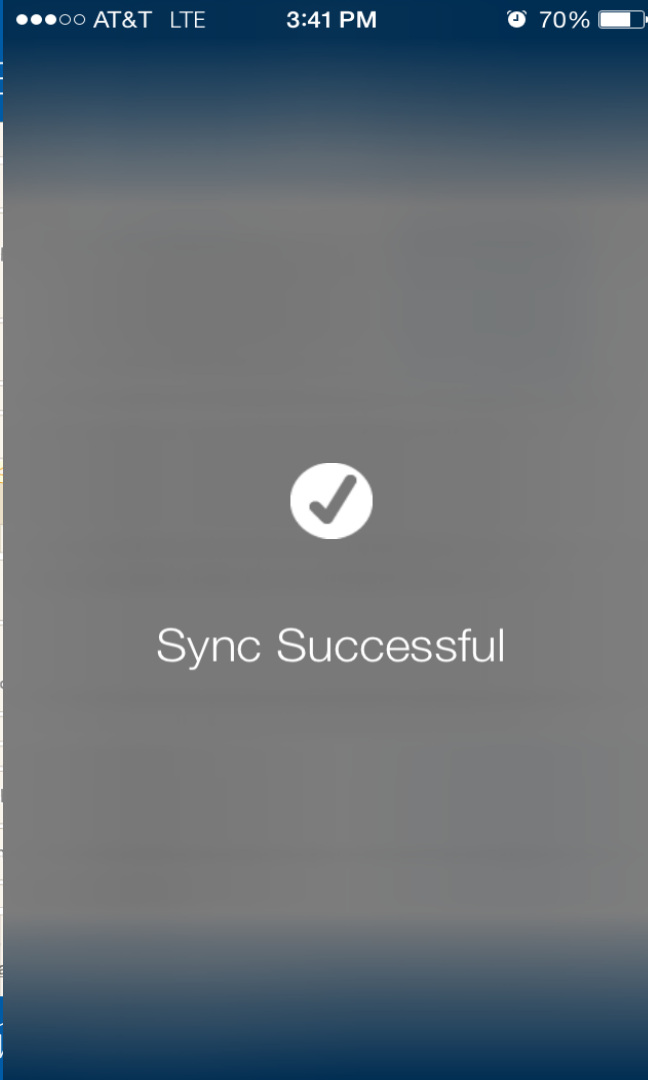

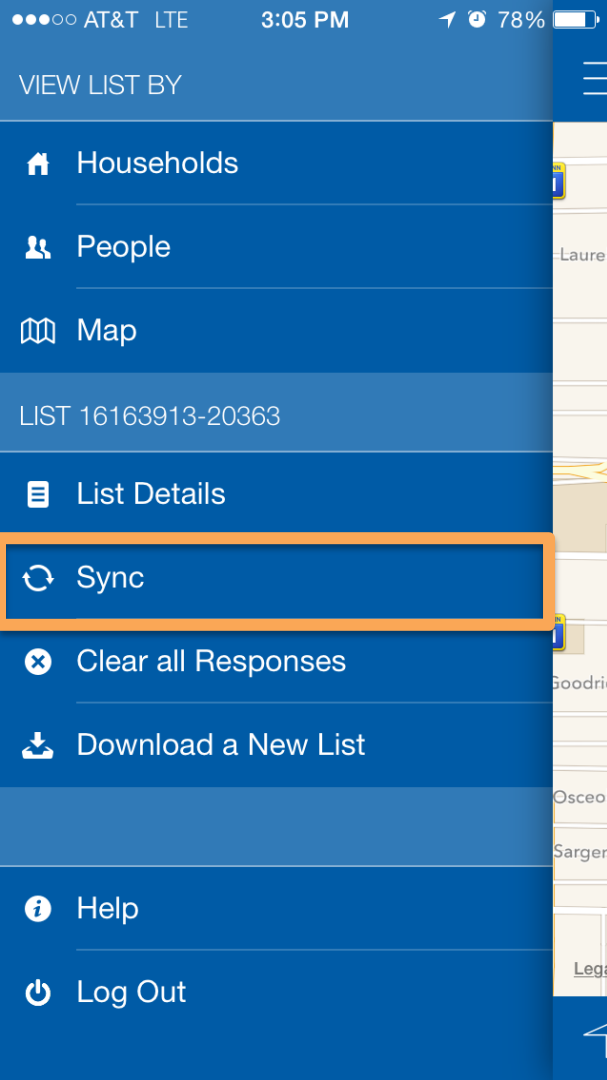

On the default screen,
you can press the
three lines in the right
hand corner to choose
different views and
options.

Selecting “People” will show you an alphabetical list of voters. Click on the voter’s name to see the script.

Selecting “Maps” will show you a street view of the doors you are knocking. Click on a home to see voters and scripts.

Click “Sync”
to transfer
your collected
data to the
VAN.

For instructions on how to set-up a canvass, see the MiniVAN Admin Guide.
