

NEVADA PUBLIC LANDS

Transferring the management of public lands in Nevada from federal agencies to the State would effectively:

Save the American tax payers over

\$40 Million annually

Generate an estimated revenue stream anywhere from

\$56M to >\$350M annually

Eliminate the Need for Payments in Lieu of Taxes

PILT to Rural NV Counties saving U.S. Tax Payers an additional **\$25M** Annually.

Eliminate any need or desire to sell public land or remove it from multiple use—Ensuring that public lands stay
