GEAR YOU’LL NEED FOR ASB 2020

Group first-aid kits will be available, please bring any personal medications or treatment you might need for a week. We’ll provide all meals and stoves, cook pots, food, and water. Please bring your own personal snacks to supplement group food. **Do not bring any weapons, alcoholic beverages, or recreational drugs. If you have food allergies or restrictions please notify us as soon as possible so that we can create a menu.** We won’t have showers or reliable cell phone service, so please plan accordingly. If you have questions or concerns about what to bring please contact us at snvstewardship@nevadawilderness.org or (702) 515-5417.

*Consider marking items, such as eating utensils, with your name or initials.*

Plan for both hot and cold weather. Temps may be high during the day, but the wind adds a lot of coldness. It’s better to have too many layers than too few. Also, don’t bring anything that you absolutely don’t want to get dirty.
