## ATTENTION STATE WORKERS:

The New Jersey State AFL-CIO Public Employee Committee and your union proudly endorsed Carey Brown for election to the Public Employees' Retirement (PERS) Board of Trustees. Carey Brown is a career public worker and CWA Local 1037 shop steward.

## YOUR VOTE MATTERS:

The Board of NJ PERS is suing Gov. Christie over his failure to fund our pensions. If we lose this election, management will retake the majority on the PERS board and may end the lawsuit. We cannot let Gov. Christie off the hook!
