

Responsibilities and Good Practices

- Stay local when possible. Immigration and Customs Enforcement (ICE) officials conduct investigations throughout the United States. It is best to avoid unnecessary risks.
- Follow driving laws:
 - Speed limits
 - Wear a seatbelt. They saved an estimated 14,955 lives in the US in 2017.
 - Car seats for children
 - Children under the age of 2 and weighing less than 30 pounds must be in a back-facing car seat with a 5-point harness.
 - Children between the ages of 2 and 4 and weighing less than 40 pounds must be in a car seat with a 5-point harness; they can face forward.
 - Children between the ages of 4 and 8 and shorter than 57" (4' 9") should be in a car seat with a 5-point harness or a booster seat.
 - Children above the age of 8 must wear a seatbelt.

Watch Out for Fraud

- **DO NOT PAY ANYONE** or give your personal information to anyone who claims they are an MVC representative or can help you get to the front of the line.
- **The MVC DOES NOT** accept payments to reserve appointments, and the MVC is not currently accepting ANY appointments for the standard license for those without status.
- **The MVC DOES NOT** accept payments to speed up the process of getting your license .
- **DO NOT PRESENT FALSE DOCUMENTS.** This can be used against you.
