

Protect Clean Water and Our Children's Future

Vote YES on #2

- ▶ Protect NJ's **clean drinking water**, rivers, lakes and beaches.
- ▶ Ensure **future generations** have access to parks, open spaces, clean water and family farms.
- ▶ Protect our **quality of life** by preserving natural areas, farmland, parks and historic treasures.
- ▶ Continue critical funding to **improve water quality**, remove underground storage tanks and clean-up polluted sites.
- ▶ Dedicate a small fraction of existing tax dollars for Green Acres, farmland and historic preservation **without increasing taxes**.
- ▶ Leave a **legacy for our children** and grandchildren.
