

VOTE MOLLY NOLAN

#1 FOR HIGHLANDS & ISLANDS REGION

Many of you will know me as your candidate for Caithness, Sutherland and Ross – our top target seat. I am writing today to ask you to also support me in becoming your #1 candidate for the Highlands & Islands regional list.

Born in Inverness and raised in the Cromarty Firth village of Evanton, I attended Dingwall Academy and later Plockton Music School, specialising in Scottish piano and fiddle. Since receiving my degree from Harvard University in 2019, I have returned to my home village where I live with my rescue cat, Mango. When I'm not campaigning for the Lib Dems, I work in communications and advocacy.

- ▶ **Facilitating our COVID recovery:** I will campaign for further localised powers and fight for the economic wellbeing of the Highlands & Islands.
- ▶ **Sustainable tourism:** I will push for publicly-funded tourist services, safer transport infrastructure and crucial environmental protections.
- ▶ **Access to services:** I will focus on providing 'rural proof' equality of access to essential key services such as healthcare, banking and transport.

Since being announced as a constituency candidate in early August, I have achieved national press coverage, built a cross-platform social media following and talked to voters across the Highlands & Islands. I can energise people into voting Liberal Democrat.

Lib Dem candidate Molly Nolan hailed as 'shining example of the next generation of Highlanders'

The importance of this election cannot be underestimated. With your support, I can cut through the divisive fundamentalism of the SNP and the Tories to progress our positive, outward-looking, liberal agenda. If you share my vision for a campaign of aspiration, I hope you will support me in becoming the #1 candidate on the Liberal Democrat Highlands & Islands list. Thank you.
