About NQCC – www.nqcc.org.au

North Queensland Conservation Council (NQCC) is a peak organisation in the state-wide environmental movement. It represents the area roughly bounded by Bowen in the south, Cardwell in the north, the Coral Sea in the east and along to Mt Isa, up to the Northern Territory border in the west, advocating on regional issues.

NQCC was established in 1974 as a not-for-profit incorporated association with a broad mandate to endeavour to protect the “land, waters and atmosphere of the region” and since then has worked continuously on a number of environmental issues significant to North Queensland and beyond. The money raised from this auction will go to NQCC.
