Exhibition Terms and Conditions:

1. All works are donated to NQCC.
2. Images of the works may be used for promotional purposes.

North Queensland Conservation Council (NQCC) invites all artists who love our environment to donate a postcard-sized artwork of any medium (print, sculpture, photo...) for this year's theme – *"Nature: the wonder and the tragedy"*. Works will be included in an exhibition at Umbrella Studio Contemporary Arts for several weeks from 10 September. They will also be displayed online. To submit a piece for the exhibition, please send this form with your work **by Friday 20 August 2021**. At the end of the exhibition period, artworks will be auctioned off to the highest bidder. All funds raised will support our important work here in beautiful North Queensland. We thank you for your support!
