CALLING ALL ARTISTS

North Queensland Conservation Council invites all artists who love our environment to donate a postcard sized artwork for exhibition at Umbrella Studio, opening **10th September**. Artworks will be auctioned off at the end of the exhibition, with all funds supporting our work here in beautiful North Queensland!

This year's theme is ***"Nature: the wonder and the tragedy"*** To be a nature-lover has come to mean living out a tragic love story. How do we balance the overwhelming wonderment of our natural world with the heartache of its immense suffering?
