Q & A with Filmmaker, Kamala Lopez and Local Women Leaders

Art Theatre Long Beach ~ 2025 E 4th St,
Eventbrite.com Equal Means Equal Long Beach

"In the United States of America, all men are created equal. Women? Eh... not so much." This is the rallying cry behind filmmaker Kamala Lopez's newest documentary: Equal Means Equal.

Lopez and company are journeying across the country to learn what women think about their lives, how/if they want them to change and what difference a constitutional Equal Rights Amendment would have on them.

BUST Magazine
