

HELP STOP THE A'S FROM TAKING OVER \$800 MILLION IN TAXPAYER FUNDS FOR A LUXURY DEVELOPMENT

The A's continue to make it clear they have no intention of paying for any Community Benefits or the proposed mitigations required to make their massive project viable and instead want taxpayers to for the bill for their luxury development.

HOWARD TERMINAL FINAL ENVIRONMENTAL IMPACT REPORT

The FEIR confirmed what we already know: the A's massive entertainment development will overwhelm West Oakland neighborhoods with increased traffic, noise, and pollution, dramatically diminishing the quality of life for residents.

YOUR VOICE MATTERS

We hope you will join us at this meeting and demand the City reject the A's stadium and luxury development and keep the A's at the Coliseum.

To ensure that your concerns are heard, please log into the Zoom meeting promptly at 3:00 pm and use the raise your hand icon when the agenda item comes up.
