

QLD Community Impact Officer

We're seeking a bright young person who's passionate about ending extreme poverty to [join our team](#).

About Us

Oaktree is young people leading a movement to end poverty. Extreme poverty has already been halved and together we can end it.

Breaking it down, Oaktree works in three ways. One, we raise awareness about extreme poverty in Australia, because movements need widespread public support. This is our social impact. Two, we fundraise to work with local organisations that directly tackle poverty overseas. And three, we influence policy change by ensuring Australia's leaders take action to end poverty.

For us, change starts with a simple belief – that extreme poverty is unacceptable. Beliefs turn into action, and enough informed action will end extreme poverty in our lifetime.

Oaktree is Australia's largest youth-run organisation with over 150,000 members.

OUR VOLUNTEERS

The Oaktree team are a nice bunch of volunteer staff – all under the age of 26. We're into cheap dumpling houses, feelings and tables you can write on. Together, we facilitate the movement.

All our volunteers play unique roles – from driving our campaigns, working with our partners overseas, and facilitating compelling experiences. We educate and empower young Australians to take action on the issue we care most about.

OUR BEHAVIOURS

Our values guide the work that we do as young people leading the movement to end extreme poverty. They reflect who we are, who want to be and what we strive to achieve.

We think big
We put the impact of our movement first
We embrace change
We're humble
We're relentless
We build our community with passion and energy
We're hungry to learn
