

WA Oaktree Community Organiser

We're seeking a bright young person who's passionate about ending extreme poverty to [join our team](#).

About Us

Oaktree is young people leading a movement to end poverty. Extreme poverty has already been halved and together we can end it.

Breaking it down, Oaktree works in three ways. One, we raise awareness about extreme poverty in Australia, because movements need widespread public support. This is our social impact. Two, we fundraise to work with local organisations that directly tackle poverty overseas. And three, we influence policy change by ensuring Australia's leaders take action to end poverty.

For us, change starts with a simple belief - that extreme poverty is unacceptable. Beliefs turn into action, and enough informed action will end extreme poverty in our lifetime.

Oaktree is Australia's largest youth-run organisation with over 150,000 members.

OUR PEOPLE

The Oaktree team are a nice bunch of volunteers and staff – all aged 26 and under. We're into cheap dumpling houses, writing .gif-filled emails and kicking the footy. Together, we facilitate the movement.

All our volunteers play unique roles – from driving our campaigns, working with our partners overseas, and facilitating compelling experiences. We educate and empower young Australians to take action on the issue we care most about.
