

# TASMANIAN STATE DIRECTOR

## PURPOSE & RESPONSIBILITIES

Oaktree engages with over 180,000 youth and supporters across Australia. We are able to do this as we have state branches across the country, led by a team of fantastic leaders - our State Directors.

Tasmania is unique as it has Australia's highest percentage of youth volunteers, therefore the Tasmanian State branch has the potential to become one of the best in the country. We just currently have no one to lead it - we need our Tasmanian State Director.

- Developing & implementing strategies that align with Oaktree's overall strategic plan.
- Being the key person establishing communication between the Tasmanian State Office, HQ and the rest of the state offices.
- Creating and maintaining strong internal relationships.
- Providing an enabling and engaging environment for our volunteers.
- Maintaining a positive volunteer experience and work culture.
- Setting up professional and financial partnership opportunities.
- Representing Oaktree in public forums and through regular speaking engagements.
