

# Buy a **Ad for your Business** or be **Recognized for your Contribution**

In 2016, Justice United is organizing a *Friends of Justice United Corporate & Individual Donor Campaign*, inviting those who know and respect our work to be co-contributors to the organization. Contributions are greatly appreciated and will help us achieve our ambitious agenda.

Individuals, organizations, and businesses that contribute \$125 or more may have a message or ad (of your own design) published in Justice United's 2016 Annual Report. The report will be distributed throughout our twenty-one member organizations and their combined 17,000+ individual members. It will also be available online. Donations are tax deductible as a charitable contribution or business expense.
