

THIS IS YOUR MPP AMY FEE

The Ontario Government, and your MPP Amy Fee, chose to side with big business and vote for Bill 47. Bill 47 took away your workplace rights and reduced the penalties for employers who break the law. This is shameful.

YOUR MPP TOOK AWAY:

- \$15 minimum wage—over 65 per cent of Ontarians support this
- Two paid sick days—77 per cent of Ontarians support this
- Equal pay for part-time & temp workers doing the same job as full-time or directly-hired co-workers—65 per cent of Ontarians support this
- Fairer scheduling rights—77 per cent of Ontarians support this
- Laws that make it easier to join and keep a union

AMY FEE
Progressive Conservative

TELL YOUR MPP “YOU BROKE YOUR PROMISE,
YOU ARE NOT FOR THE PEOPLE”

No matter what she says, Ontario’s economy is thriving with a higher minimum wage. In 2018 alone, Ontario has gained 103,000 new jobs. Higher wages mean people have more money to spend at local businesses.
