

TELL MPP LINDSEY PARK: NO TO DISCRIMINATION

Lindsey Park is making things worse in Ontario by:

- Eroding social and economic justice for women, racialized, Indigenous, and 2SLGBTQI+ peoples as well as people with disabilities.
- Contributing to the rise of hate by not addressing racist, misogynist, xenophobic, and right-wing populism.

Lindsey Park has already:

- Delayed justice at the Human Rights Tribunal with unfilled positions.
- Withdrawn cooperation to help fund the resettlement of asylum seekers.
- Disbanded expert committees to end violence against women and to combat Islamophobia, anti-Semitism, anti-Indigenous, and anti-Black racism.
- Failed to eliminate the discriminatory practice of carding.
- Withheld millions of dollars in promised funding from sexual assault centres.
- Delayed implementing laws to help bridge the gender wage gap.
- Restricted access to social assistance for people with disabilities.
- Cancelled the modernized curriculum that teaches children about same-sex relationships, gender identity and expression, and consent.
- Halted creating mandatory curriculum for students on residential schools, Treaties, and Indigenous peoples' contributions to Canada.
- Eliminated Ontario's independent watchdog on French-language services and scrapped a French-language university.
