

## PETITION TO REVERSE THE CUTS TO “WORKER FOCUSED” LEGAL CLINICS

To the Legislative Assembly of Ontario:

The Ontario government has cut funding for legal aid by \$133 million. Three community legal aid clinics have been targeted for some of the biggest cuts by Legal Aid Ontario because they are “worker focused” clinics and engage in law and policy reform. The clinics are the Injured Workers Community Legal Clinic (IWC), the Industrial Accident Victims Group of Ontario (IAVGO) and the Workers' Health and Safety Legal Clinic (WHSLC). These clinics assist injured workers across the province and now must reduce staff and services.

**WE, THE UNDERSIGNED, call on the government to immediately reverse the cuts to legal aid and remove the new restriction on the clinics' law reform and community organizing.**
