

LINE 5 RETIREMENT PARTY

The Line 5 Oil Pipeline Turns 65 years old on April 23.
Help force its retirement to protect the Great Lakes.

“Lookie! A pipeline in the Straits of Mackinac!
They say it’ll last 50 years!”

Enbridge Energy operates aging twin pipelines that cut through the heart of the Great Lakes in the open waters of the Straits of Mackinac that put 700 miles of shoreline at risk. We’ll watch a program livestreamed from the Traverse City Opera House and meet others who want to strategize on ways to take action to force the retirement of the pipelines.
