Oil & Water Don't Mix
Keep Oil Out of the Great Lakes

On April 23, the Oil & Water Don't Mix campaign is organizing Line 5 Retirement “House Parties” across the Great Lakes. As a Business Supporter of the campaign whose business is proudly displayed on our website, we need your support to make this a big success!

OWDM is putting on a live show with speakers, videos, and music by Seth Bernard, from the Traverse City Opera House that will be livestreamed via video to every satellite house party across Michigan and beyond. We're reaching out to supporters involved in the Line 5 effort, but also to anyone interested in preserving our clean Great Lakes. The party will be all about taking civil action to shut down Line 5. We anticipate at least 200 people in attendance at the Opera House. As of April 4, there are 25 satellite parties that will reach at least 1000 people, and we expect that more parties will be added. We need your help to offset our costs of making this party a success. **Please consider sponsoring the party!**
