## GREENVILLE • MONDAY, APRIL 23

BALDWIN HEIGHTS ELEMENTARY SCHOOL, 821 W OAK ST, GREENVILLE, MI 48838

This is a potluck style party - please bring a dish to pass, meet your neighbors, and let's work together to shut down this risky pipeline!

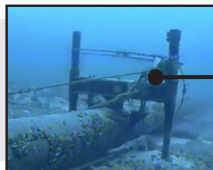

**Party Starts 6:00 PM • Program begins at 6:30 PM • Free Admission**

Enbridge Energy operates aging twin pipelines that cut through the heart of the Great Lakes in the open waters of the Straits of Mackinac that put 700 miles of shoreline at risk. We'll watch a program livestreamed from the Traverse City Opera House and meet others who want to strategize on ways to take action to force the retirement of the pipelines.
