01 DON'T GET KICKED OUT

A "NOTICE TO VACATE" does NOT mean eviction. You have the right to ask for a hearing. There are no hearings in Austin until January 2021.

04 STAY INFORMED

- In Austin, you have **60** days to come up with rent after the landlord informs you in writing. Valid through March 2, 2021.
- Outside Austin, you are protected through Dec. 31, as long as you fill out this form: <https://www.cdc.gov/coronavirus/2019-ncov/downloads/declaration-form.pdf>
- Dates may be EXTENDED

NO EVICTIONS 02 UNTIL 2021

It's true. The Texas Supreme Court confirms that there will be NO evictions for nonpayment until the end of 2020.
