MPP London West

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO: END BREED-SPECIFIC LEGISLATION

Whereas aggressive dogs are found among all breeds and all mixed breeds; and

Whereas breed-specific legislation has been shown to be an expensive and ineffective approach to dog bite prevention; and

Whereas problem dog owners are best dealt with through education, training and legislation encouraging responsible behaviour;

We, the undersigned, petition the Legislative Assembly of Ontario as follows:

> **That the breed-specific sections of the *Dog Owners' Liability Act (2005)* and any related acts be repealed, and that the government instead implement legislation that encourages responsible ownership of all dog breeds and all dog types.**
